Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

This action replaces the action mailed February 20, 2008. It appears that the action did not include the continuation sheet to PTOL-324.

In the response of April 23, 2007, Applicant elected claims 64-77. The newly submitted amendments (November 13, 2007) appear to shift Applicant's original election. Specifically, the addition of "monomer" limitations appears to change Applicant's election. It appears that Applicant has amended the claims to exclude the original election.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Leslie Wong whose telephone number is 571-272-1411. The examiner can normally be reached on Tuesday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Milton Cano can be reached on 571-272-1398. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
